## REMARKS

The above-identified application was allowed in the Notice of Allowance and Fee(s) Due mailed September 16, 2005. The Issue Fee has not been paid.

The Notice of Allowability required corrected drawings and a Notice of Draftsperson's Patent Drawing Review indicated deficiencies in Figs. 1-7.

Applicant has corrected the drawings and the corrected drawings are attached as Replacement Drawings. In correcting the drawings, Applicant found it necessary to redraft Fig. 4 as Figs. 4A and 4B to conform to the requested changes in the Notice of Draftsperson's Patent Drawing Review.

In addition, Applicant has amended the specification to change the description of Fig. 4 to Figs. 4A and 4B, to conform to the corrected drawings.

Each of the requested amendments is fully supported by the specification and drawings, will not require an additional search, and does not raise new issues. Therefore, Applicant respectfully requests that this Amendment be entered and the requested changes made.
